Bays an inside bath before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, siert—a good, clear skin and a natural, roay, healthy complexion are assured only by pure blood. If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, ansemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-checked people everywhere.

An inside bath is had by drinking to department also received the reports of the American soldiers have flooded this region. There seems no question that a considerable portion of the Mexican soldiers and civilians in the north of the republic are bitterly hostile to the action of the United States.

Final Report of Mexicans Slain HERE'S THE at Columbus Brings

General's Tribute.

SAN ANTONIO, Tex., March 16 .-That the American soldier is still the best rife shot in the world is the U.S. Marine a Tremendous belief expressed to-day by Gen. Frederick Funston, following his receipt of the first detailed mall report from Col. H. J. Slocum, who commanded the forces at Columbus on the morning of the Villa raid. Sixty-seven Mexicans were killed on the American aids of the border during the attack. This is ten more than given in the last official report.

"When you consider that the attack was a surprise, that it came in the darkest portion of the night, just before dawn, and that the men were aroused from sleep, the results of their rifle fire were remarkable," he said. "I estimate the total number of the process of the control of the rifle fire were remarkable," he said. "I estimate the total number of the cut plug brands put together?" said.
